Happy THANKSGIVING

Wishing you a wonderful Thanksgiving filled with love and joy.

Soul-Lifted Sisters Prayer Ministry & Outreach Monthly Newsletter

October Lookback Highlights:

- Held a powerful Holy Communion Call

- Facilitated 5 impactful Prayer Services

- Hosted our monthly Prayer Movement Encounter Zoom Workshop. *Thank you to our guest host, Evangelist Janice Stevens.*

- Our Cards of Encouragement Ministry mailed out 221 cards; 49 Chemotherapy Care Packs were sent out; Our Benevolent Ministry sent flowers and assisted families with utilities, food, and diapers

- On October 24, we provided a nutritious hot breakfast for the families in the homeless shelter. Thank you, volunteers and financial supporters.

- Rev. Dr. Witherspoon accepted a Community Service Award on behalf of Soul-Lifted Sisters. Thank you, Minister Harris, for accompanying me.

Message from Our Founder:

In this season, let us not allow our hearts to be troubled. As the holidays draw near, emotions can run high as we reflect on our loved ones. Stay encouraged and share your feelings openly. Embrace the opportunity to create a new normal for yourself and your family. Though it may take time, you can achieve it. Remember to pause, take a deep breath, and give yourself grace when you need it.

With Love, Rev. Dr. Erania Witherspoon

Our Holiday Season Outreach Focus:

Our Cards of Encouragement Ministry has made a remarkable impact by reaching out to those who are sick, shut-in, and grieving each month.

History shows that there's nothing more uplifting than receiving a heartfelt card during the holiday season. We are committed to sending out 200-400 cards between now and December 25, 2026, ensuring that every bereaved family feels the warmth and support they deserve this holiday season. Let's spread joy and kindness together!

If you have a family member or friend that you would like us to send a card to, please submit their name and mailing address as soon as possible to sls@soul-liftedsisters.com. Please write "Holiday Card" in the subject line.
