September 2023 Newsletter

Hello Friends, Wow September already!! What can I say the year is pressing on and we are in the peak of Hurricane Season. However, we are still determined to touch lives one-by-one with a hot meal, carepack, card of encouragement, chemotherapy carepack, and prayer. August Outreach was amazing! We served well over 100 souls a hot breakfast and carepacks.

We continue to pray their safety and deliverance. Our message is to stay encouraged and keep pressing onward. I know better days are coming for us all as we continue to stand on Psalm 91. Until then we will still rejoice and be glad to be able of service people in the United States, Canada, Bahamas, Dominican Republic, & Jamaica.

**Back to School** - We were able to bless students with school supplies, uniforms, and scholarships. I can't even begin to express the immeasurable joy it brought us as an organization.

I would like to thank all the seed sowers who have continued to support us in 2023! We are truly thankful for your faithfulness and love.

The need is great in the community and the numbers are continuing to increase. We are asking you please keep sowing into our Ministry. We also need volunteers to help us serve monthly. Students are welcome 12 years and up.

### **Know someone grieving?**

Did you know our organization follow a bereaved family for one full year? During that year we offer emotional support, counseling, and send encouraging cards. While it seems the rest of the world carries on as though nothing has happened, Soul-Lifted Sisters remember that their world will never be the same. So just when they feel people have forgotten, they will open a card of encouragement to remember God loves them and we are still here praying and lifting them up. Submit your request on behalf of a bereaved family to: [www.soul-liftedsisters.com](http://www.soul-liftedsisters.com)
