March 2025 Ministry Newsletter

Greetings from Our Founder, Dr. Minister Erania Witherspoon

Spring is just around the corner, with its arrival heralded by the warmer weather and the vibrant colors emerging in our gardens and parks. As we transition into this new season, it's an ideal time to reflect on the growth and changes we've experienced over the past months. Spring symbolizes new life, renewal, and hope, making it a perfect opportunity to reset our aspirations and cultivate a mindset geared toward achieving our goals.

This season invites us to reset in personal development, whether that means picking up a new hobby, setting fitness goals, or dedicating time to mindfulness practices.

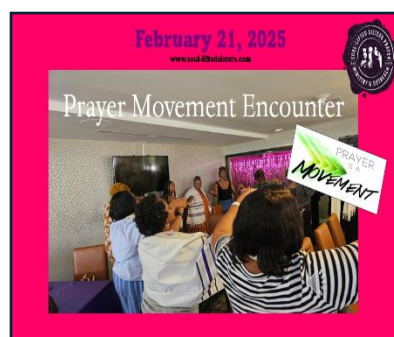

As we embrace these opportunities, let's hold onto the encouraging words from 2 Timothy 1:7: "For God has not given us the spirit of fear, but of power, and of love, and of a sound mind." This reminder can help us approach the challenges and possibilities of this vibrant season with confidence and purpose.

About February: Our "Love You More" Vision Board Party on February 7th was an extraordinary celebration of sisterhood and personal growth. Attendees were reminded that the greatest love of all is the ability to truly love and accept oneself. Each participant left feeling empowered and blessed, having engaged in meaningful connections with one another. This gathering transcended the typical notion of an arts and crafts event; it offered a transformative "Step Into Your Purpose" experience. Throughout the workshop, we explored the importance of understanding our individual paths and the divine purpose God has for each of us. Often, people overlook opportunities for growth because they fail to recognize the value in them or believe they are irrelevant. However, it's essential to understand that what we may dismiss could ultimately be the very insight or encouragement we need to move forward. The truth can sometimes sting, but we genuinely evolve through these moments of discomfort.

The Prayer Movement Encounter on February 21, 2025, was a truly special experience filled with sharing and learning.

Orlando Rescue Mission thanks Soul-Lifted Sisters and our Founder, Dr. Witherspoon, for hosting a Valentine's Day party for the children in the Shelter Nursery. They had a great time with the treats, pizza, and crafts. Also, it was a joy to remind them of John 3:16. Additional acts of kindness: We donated 1 Case of Diapers, donated a few hair care packs to the ladies in the shelter, Adopt A Family assisted a family with resources, and sent care packs and cards of encouragement.

A special thank you goes to Brother Kenny Grant for taking the time to bring buckets of cleaning supplies from Tampa to donate to the shelter in Orlando. These acts of kindness and faithfulness may go unnoticed by many but always remember that God sees your heart and will reward you for your good deeds. Thank you for your support of Soul-Lifted Sisters Prayer Ministry & Outreach.
