Last Month Look Back

All I can say is God Did It!!

On January 27, 2024, we hit the streets for the first time in Central Florida. What an amazing time in the Lord. Our morning started with a 5:50 am arrival at Coalition. We prepped, helped cook, and served a hot breakfast to the residents of the Coalition. We served over 250 men, women, and children. Once that concluded we walked the streets and distributed fully stocked care packs, had prayer, praised/worshipped God, and introduced our organization to the community. We were welcomed with smiles and gratitude which warmed all our hearts.

The need is great in this area as well. Homelessness has no age, gender, or nationality. I met a young lady Ms. Annie who is 76 years old. After receiving her care pack drawstring bag, she reached for my hand, said thank you, told me her name and age, and then said let God use you. She then proceeded to tell me all she needed was water and some garbage bags. The entire morning for the team was a humbling experience.

I am so thankful for this expansion of our Outreach Services. Our team consisted of 6 onsite volunteers and 1 behind the scenes volunteer to do care pack packing.

Gracious thank you to our monthly financial supporters. We thank you for your loyalty and love to Soul-Lifted Sisters Prayer Ministry and Outreach.

"Donate Your Birthday" - I just must share this because I was touched by the gesture of agape love. One of our supporters decided to donate her birthday in honor of her years of life to Soul-Lifted Sisters Prayer Ministry and Outreach. She sent out a message to all her family and friends telling them her birthday desire/wish for this year was for them to donate her age to this ministry.

All I could say is wow! Never have I ever could have imagined this. For someone to do this for us is just priceless and left me speechless. Look at God. She said she recognized the level of love we provide the community and wanted to help us along the way. Queen S you are loved by many, and we are so thankful and blessed for your kindness.

Our Ministries of Help Resources

Know someone with cancer?

Cannot find the right words to say? Send them a tangible expression of care and concern. Knowing someone is thinking of them will bring a much-needed smile. Request a free chemo care package @ www.soul-liftedsisters.com.

Know someone grieving or sick?

Did you know our organization follows a bereaved family for one full year? During that year we offer emotional support, counseling, and send encouraging cards. While it seems the rest of the world carries on as though nothing has happened, Soul-Lifted Sisters remember that their world will never be the same. So just when they feel people have forgotten, they will open a card of encouragement to remember God loves them and know we are still here praying and lifting them up. Submit your request on behalf of a bereaved family to: www.soul-liftedsisters.com

"And whatever you do, in word or deed, do everything in the name of the Lord Jesus, giving thanks to God the Father Through Him" – Colossians 3:17
