August 2025 Ministry Newsletter

Greetings from Our Founder, Rev. Dr. Erania J. Witherspoon

Thank you all for the heartfelt birthday wishes and gifts. Your love was overwhelming and deeply appreciated. It felt wonderful to be celebrated by so many!

Back to School Time Already!! As you know, we do not conduct a traditional school supply drive. Instead, we take a more personalized approach to meet the needs of our underprivileged community. Our back-to-school initiative aims to sponsor a week's worth of uniforms for students currently living in the shelter. Many parents have expressed the need for uniforms for their children, and we want to be a blessing to them once again this year. No child should have to return to school without proper attire, but we need your support, dear friends!

In addition to uniforms, we will also provide school supplies for all the children in the shelter. When donating to this initiative, please indicate "for AAF" to ensure that your contribution is designated for our back-to-school "Adopt A Family" program.

A Prayer for Students, Teachers, Bus Drivers, Staff, and Administrators: Lord God, as they return to school, we ask that the Blood of Jesus cover and protect everyone. We pray for the safety of our students and ask for protection against any hurt, danger, or harm.

****July Look Back: ****

On Saturday, July 12th, Soul-Lifted Sisters South Florida Outreach Team hit the streets of Downtown Miami. It was a heartwarming joy to serve with this esteemed team again. We served 120 souls and prayed for many.

The team showed up excited and ready to bless the homeless community in 90-degree weather. All I could say was Wow, oh how I miss them so much. We were well missed by the community as well. Many of them shouted out, "Where y'all been?"

At first, it was only 30 in the line, then the word traveled, the Soul-Lifted Sisters, aka The Purple Shirt Angels, are here. Needless to say, the line grew and grew!!

One gentleman asked for a personal prayer. We had to pull out the Anointing Oil for Him. He received the prayer and the Lord all in one. This act of prayer reminded me that there are souls still needing to be saved.

The gratitude of the Homeless community was overwhelming. It brought me to tears because this is where our heart of serving is.

As we reevaluate our services to the community, I am excited about the new season and the direction in which God is leading us.
