July 2026 Ministry Newsletter

Greetings from Our Founder, Rev. Dr. Erania Witherspoon

Happy summer, everyone! Remember to stay hydrated and focus on your well-being. It's important to seek God for direction in your life. Now is the time to truly connect. The world we once knew has changed, but one thing remains certain: God is still God. He needs human vessels to carry out His assignments and serve as mouthpieces and ambassadors for the Kingdom.

People of God, we must step up and demonstrate that love, generosity, and humility still exist. Like many of you, I often feel that I am doing so much already, but guess what? It's not enough. We can do more and do better to support our community. Too often, we choose convenience over sacrifice, the easy path over endurance, the ordinary over the extraordinary, and the minimum over the maximum.

As we begin our 14th year, we need to put in the same effort as we did in our early years. The vision and mission of this organization have always been clear: "Touching Lives One by One." However, Rev. Dr. Witherspoon cannot do it alone. We are experiencing God's guidance as we expand our community support, and we must remain focused on the vision and mission of Soul-Lifted Sisters Prayer Ministry & Outreach.

I kindly request that you stay open to new ideas, services, and the overall operation of our ministry. Your faithful support is essential. We invite you to help spread the word about this ministry's incredible offerings and the positive impact they have on our community!

****June Look Back: ****

With the warm weather we've been experiencing, we felt it was necessary to provide cold water and sandwiches to the homeless community on the streets of Central Florida. This service was in addition to the hot breakfast we served to guests in the shelter. As always, the shelter guests were thrilled to see us. We were also able to bless the kids and summer joy gifts. The gratitude of the shelter and community out on the street was overwhelming. It brought me to tears because this is where my heart for serving is.

As we reevaluate our services to the community, I am excited about the new season and the direction in which God is leading us.

To expand our services, we need additional resources. Thank you to all our supporters who responded generously to the water and ice drive. Your contributions made a significant impact. It truly takes a community to support one another.

I would also like to express heartfelt gratitude to all the volunteers who came out to help, both on the day of the event and in the days leading up to it. Your faithfulness, love, and support are deeply appreciated.

To our financial supporters, thank you for believing in our vision and mission. We are truly grateful.
