Honeycomb for the Soul - Psalm 119:103 Prayer Conference Recap

We are still basking in the spirit! God has done something great for us as a Prayer and Outreach Ministry. The outpouring at our Prayer Conference Retreat was overwhelming. Witnessing the movement of the Lord in such a profound way was truly magical. A heartfelt thank you goes to Rev. Dr. Erania Witherspoon for her excellence, diligence, teachings, and love that she shared with all of us. No stone was left unturned, from arrival to departure.

Each attendee was welcomed with a warm hug and a fully stocked swag bag. Our evening began with a fellowship dinner, followed by a "Meet Your Sister" exercise. After dinner, we entered a space for Holy Communion, accompanied by prayer and worship. Once the atmosphere was established, we transitioned into a time of spiritual alignment. Our lesson for the evening was titled "Change Your Words, Change Your Mindset!" Rev. Dr. Witherspoon provided an overview of the importance and benefits of this topic before we engaged in activities. The room was filled with the soothing scents of eucalyptus, and the sounds of release surrounded us as we prepared for this transformative experience. The affirmations of freedom during this session were truly priceless.

Day two was just as impactful! We participated in sessions covering various topics, including "The Sweetness of God's Benefits," "The Sweetness of God's Blessings," "Understanding God's Word through the Honeycomb Experience," and a CPR Training led by Instructor Todd Witherspoon. Later that evening, our Game/Craft Night was a great time for all.

Day three began with a prayer walk based on Psalm 119:103 around a large lake. During this time, we reflected on God's creations and how they moved us individually. We gathered after the walk to share the pictures we captured and the feelings we experienced in that moment.

That evening, we came together for our GALA to celebrate 14 years of ministry and to announce the recipients of the Volunteerism Scholarship for 2026. We enjoyed a wonderful time of fellowship!

On the fourth and final day, we started with breakfast delights, which were followed by an inspiring worship service led by Rev. Dr. Witherspoon. She delivered a powerful sermon and prayed over the requests in the prayer box. As we left the conference, we all felt energized, refreshed, restored, and renewed! More highlights are shared on our social media!

Greetings from Our Founder, Rev. Dr. Erania Witherspoon

The month of May was truly amazing. I am humbled by all the love, support, and outpouring into Soul-Lifted Sisters.

Heartfelt, thank you to all the conference attendees. You showed up ready to receive from the Lord. Gracious, thank you to all for the personal gifts you blessed me with, to celebrate my 14 years of service. I appreciate the generosity and acknowledgment.

As we have entered year 14, God has already begun to outpour assignments for us. With each year, a new implementation is required. It's called growth.

In the coming weeks, we will be sharing the new launches for Soul-Lifted Sisters. Stay tuned and get ready for even more from your overflow ministry!
