Message from Our Founder:

In this season, let us not allow our hearts to be troubled. As the holidays draw near, emotions can run high as we reflect on our loved ones. It's important to stay encouraged and openly share your feelings. Embrace the opportunity to create a new normal for yourself and your family. Though it may take time, you can achieve it. Remember to pause, take a deep breath, and give yourself grace when you need it.

With Love, Rev. Dr. Eranias Witherpoon

Our Holiday Season Outreach Focus:

Our Cards of Encouragement Ministry has made a remarkable impact by reaching out to those who are sick, shut-in, and grieving each month.

History shows that there's nothing more uplifting than receiving a heartfelt card during the holiday season. We are committed to sending out 200-400 cards between now and December 25, 2025, ensuring that every bereaved family feels the warmth and support they deserve this holiday season. Let's spread joy and kindness together!

If you have a family that you would like us to send a card to, please submit their name and mailing address as soon as possible to sls@soul-liftedsisters.com. Please write "Holiday Card Please" in the subject line.

As you know, what was once a small expense has grown into a large one. Stamps now cost .78 and an average card costs up to \$2.00. This doesn't include the cost of a mailing label. Thank God for the volunteers' in-kind service who help address these cards and mail them, or that would be an added cost. So, on average, we spend \$3.00 for every card sent.

Please sow a seed to help us keep our Benevolent Ministry **"Cards of Encouragement"** Funded this Holiday Season.
