September 2025 Ministry Newsletter

Greetings from Our Founder, Rev. Dr. Erania J. Witherspoon

As we enter the final month of the third quarter (Q3) of 2025, we are excited to share the wonderful achievements we have accomplished so far this year. I invite you to our website www.soul-liftedsisters.com to read all about them. With the start of Q4 in October, I kindly ask for your continued support for our organization. Your monthly contributions allow us to keep making a positive impact in the community. As the holiday season approaches, many organizations will reach out for your support. We ask that you remember our organization, which serves the community throughout the year, 365 days, and consider making us a priority on your seasonal giving list.

I am incredibly grateful for our faithful seed supporters. However, I believe that as an organization, we can do even better. When I say we can improve, I'm not referring to asking you for more personal contributions. Instead, I encourage you to share the amazing work of our ministry with your family and friends, inviting them to support us with monthly tax-deductible donations. Just imagine how powerful we could be if each of you committed to helping us monthly, and you encouraged a few peers to join you as well. Additionally, some of you work at companies that match donations to your favorite non-profits—have you considered adding Soul-Lifted Sisters to that list?

Our mission is to bless others, but we need more than just the faithful few to accomplish this. We can't solely rely on seasonal fundraisers any longer to sustain; we need you to step up and show up for us. We have been showing up for 13 years, and the community depends on us for support. Our generosity and love are well-documented, which is why I want to share some important details with you. Every month, we mail out between 75 and 125 cards. Double this amount during the Holiday Season. With the increased cost of stamps, cards, and labels, we are spending an average of \$4 per card. When you calculate that, you can see the financial commitment we're making just to our Cards of Encouragement program. This service is available to non-members and non-supporters as well, and we will continue our mission regardless. Many recipients have written back to tell us that receiving these cards has prevented them from considering suicide during their times of overwhelming grief and life challenges.

****August Look Back: ****

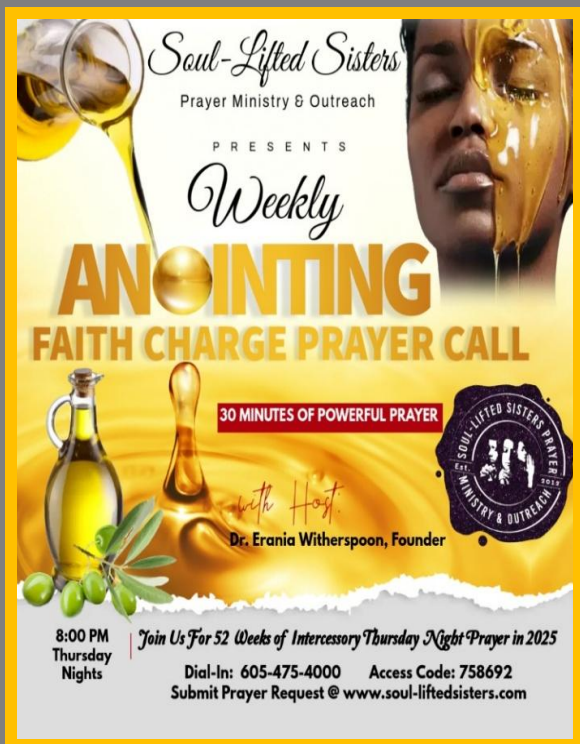

On Thursday, August 7th, Soul-Lifted Sisters Prayer Ministry & Outreach delivered uniforms and gift cards to the children in the shelter. Thank you, Brother Todd and Sister Akebia, for making the drop-offs on behalf of our ministry.

On Friday, August 8th, we celebrated our 1st anniversary of the Prayer Movement Encounter. What a wonderful time in the Lord. We welcomed a few new participants and look forward to an even greater turnout on Friday, September 19, 2025.

On Saturday, August 16th, a few of us attended the WEPA Conference in Tampa, FL with Founder Minister Janie Church. We had a wonderful time in the Lord.

On Saturday, August 30th, Soul-Lifted Sisters Central Florida Outreach Team served a hot breakfast to the guests in the shelter. After that mission, we hit the streets to serve the homeless community with fully stocked care packs. This month, we welcomed a new volunteer, Mr. Cameron, and were joined by our very own Soldier Serena Grant, who was on break before she deploys to Kuwait in a few weeks. The team showed up excited and ready to bless and serve the community. Thank you to our faithful supporters who continue to help us reach milestones month after month. Just a priceless day in the community service.
