**Know someone with cancer?**

Can't find the right words to say? Send them a tangible expression of care and concern. Knowing someone is thinking of them will bring a much-needed smile. Request a free chemo care package @[www.soul-liftedsisters.com](http://www.soul-liftedsisters.com).

Our packages ship out the last Monday of each month.

**Know someone grieving or sick?**

Did you know our organization follow a bereaved family for one full year? During that year we offer emotional support, counseling, and send encouraging cards. While it seems the rest of the world carries on as though nothing has happened, Soul-Lifted Sisters remember that their world will never be the same. So just when they feel people have forgotten, they will open a card of encouragement to remember God loves them and know we are still here praying and lifting them up. Submit your request on behalf of a bereaved family to: [www.soul-liftedsisters.com](http://www.soul-liftedsisters.com)
