As we enter our 12<sup>th</sup> year of Ministry, I am extremely excited for what's to come. God has done so much already, equipping us with wonderful supporters who believe in this Ministry's Calling.

Look what God can do if only you say YES! Our theme this year is Remove the Band-Aid and Become. Knowing that God can heal the brokenhearted and bind up their wounds is enough to make anyone shout Glory!

With each year we are evolving as individuals and as a Ministry. We will continue to thrive in our community work and outreach services. We have reached so many this year and pray to reach even more.

I encourage you all to take time out to review our website [www.soul-liftedsisters.com](http://www.soul-liftedsisters.com) to learn about what we do to help people. We offer support to all people around the world and are forming international relationships.

Get your passport because the mission trips are coming. You must be ready!! We are about Gods business and nothing else.

The chemotherapy care pack requests have significantly increased as well as meal service to the Homeless Community so please consider becoming a monthly financial supporter.

Humble thanks to our amazing volunteers who come each month to serve with us. Your dedication in this season is priceless. Thank you for understanding the mission we must carry onward.

Chemo Care Packs and Cards of Encouragement go out the last Thursday of each Month.

## Drum Roll Please!!!

Year number four and we can increase our scholarship awards from \$500.00 to \$1000.00 again this year. Yes, you are reading this correctly!! The support seeds and fundraisers are real and has made this vision a reality!! Talk about speaking things into existence. We are so happy to bless these students!!!

Every penny collected is disbursed to the students as you can see, so keep giving and continue to support our fundraisers so we can increase again next year. We are a ministry of honesty and very giving.
