## July 2025 Ministry Newsletter

### Greetings from Our Founder, Rev. Dr. Erania Witherspoon

Happy summer, everyone! Remember to stay hydrated and focus on your well-being. It's important to seek God for direction in your life. Now is the time to truly connect. The world we once knew has changed, but one thing remains certain: God is still God. He needs human vessels to carry out His assignments and serve as mouthpieces and ambassadors for the Kingdom.

People of God, we must step up and demonstrate that love, generosity, and humility still exist. Like you, I feel that I'm already doing so much, but guess what? It's not enough. We can do more and do better to support our community. Too often, we choose convenience over sacrifice, the easy path over endurance, the ordinary over the extraordinary, and the minimum over the maximum. That stops today for Soul-Lifted Sisters Prayer Ministry & Outreach.

As we begin our 13th year, we need to put in the same effort as we did in our first year. The vision and mission of this organization have always been clear: "Touching Lives One By One." However, Rev. Dr. Witherspoon can't do it alone. We are experiencing God's guidance in expanding our community support. We must remain focused on the Vision and Mission of Soul-Lifted Sisters Prayer Ministry & Outreach. I kindly request that you remain open to new ideas, services, and the overall operation of our ministry. Your faithful support is essential. We invite you to help spread the word about the incredible offerings of this ministry and how it positively impacts our community!

With the warm weather we've been experiencing, we felt it was necessary to provide cold water and light meals to the homeless community on the streets of Central Florida. This service was in addition to the hot breakfast we served to guests in the shelter. As always, the shelter guests were thrilled to see us. We were also able to bless the kids and women with summer joy gifts. The gratitude of the shelter and community out on the street was overwhelming. It brought me to tears because this is where my heart of serving is.

As we reevaluate our services to the community, I am excited about the new season and the direction in which God is leading us.

To expand our services, we need additional resources. Thank you to all our supporters who responded generously to the water and ice drive. Your contributions made a significant impact. It truly takes a community to support one another.

I would also like to express heartfelt gratitude to all the volunteers who came out to help, both on the day of the event and in the days leading up to it. Your faithfulness, love, and support are deeply appreciated.

To our financial supporters, thank you for believing in our vision and mission. We are truly grateful.
