September 2026 Ministry Newsletter

Greetings from Our Founder, Rev. Dr. Erania J. Witherspoon

As we enter the final month of the third quarter (Q3) of 2026, we are excited to share the wonderful achievements we have accomplished this year. I invite you to visit our website, www.soul-liftedsisters.com, to read all about them. With October marking the start of the fourth quarter (Q4), I kindly ask for your continued support for our organization. Your monthly contributions allow us to make a positive impact in the community.

As the holiday season approaches, many organizations will seek your support. We ask that you consider prioritizing our organization, which serves the community year-round, 365 days a year, during your seasonal giving.

I am incredibly grateful for our loyal seed supporters. However, I believe we can do even more as an organization. When I mention improvement, I am not asking for increased personal contributions. Instead, I encourage you to share the amazing work of our ministry with your family and friends, inviting them to support us with monthly tax-deductible donations. Just imagine the powerful impact we could make if each of you committed to helping us monthly and encouraged a few peers to join you.

Additionally, some of you work for companies that match donations to your favorite non-profits—have you considered adding Soul-Lifted Sisters to that list?

Our mission is to bless others, but we need more than just our faithful few to accomplish this. We can no longer rely solely on seasonal fundraisers for sustainability; we need your commitment each month. We have been dedicated to this cause for 14 years, and the community depends on us for support. Our generosity and love are well-documented, which is why I want to share some important details with you.

Each month, we mail out nearly 125 cards, and that number triples during the holiday season. With the increased cost of stamps, cards, and labels, we are spending an average of \$5.15 per card. When you calculate this, you can see the financial commitment we're making just for our Cards of Encouragement mission. This service is available to anyone worldwide. Many recipients have written back to tell us that receiving these cards has prevented them from considering suicide during their times of overwhelming grief and life challenges.

****August Look Back: ****

On Monday, August 3rd, Soul-Lifted Sisters Prayer Ministry & Outreach delivered our second donation of uniforms to the children in the shelter. Thank you to everyone who supported our back-to-school uniform drive.

On Friday, August 14th, we celebrated our 2nd anniversary of the Prayer Movement Encounter. What a wonderful time in the Lord. We welcomed a few new participants and look forward to an even greater turnout on Friday, September 11, 2026.

On Saturday, August 29th, the Soul-Lifted Sisters Central Florida Outreach Team served a hot breakfast to the guests in the family shelter. After that mission, we all went over to the men's shelter to participate in their prayer & worship service.

The team showed up excited and ready to bless and serve the community. Thank you to our faithful supporters who continue to help us reach milestones month after month. Just a priceless day of community service. Heartfelt thank you to all the volunteers who came out to serve.
